

### REMARKS

Claims 2-57 and 59-72 will be pending after entry of this Preliminary Amendment. The present application is a divisional of co-pending application U.S. Serial No. 10/323,511, filed December 19, 2002.

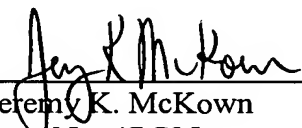

Applicants request that the specification be amended to incorporate the corresponding priority information.

Claims 1 and 58 have been cancelled, without prejudice, and replaced with new claims 66 and 67, respectively. In addition, claims 2-8, 13-18, 20, 22, 25, 30-34, 38, 56-57, and 59-65 have been amended to depend directly or indirectly from new claim 66. New claims 68-72 have been added to cover the methods of treatment using the allowed compounds in co-pending application U.S. Serial No. 10/323,511. Support for these claim amendments can be found in the specification and the originally filed claims. No new matter has been added by these claim amendments.

Applicants respectfully request entry of the above amendments and examination of claims 2-57 and 59-72 on the merits.

Respectfully submitted,
